1. Building is own building of the Correspondent,

5. In view of the above report of the District Level Committee and after due examination of the request of the Director of Sri Vijaya Lakshmi MPH (F) Training Institute, for shifting of the institution from Ravulapalem East Godavari District to Narsipatnam, Visakhapatnam District was rejected, vide reference 7<sup>th</sup> read above.

Therefore, he has again requested the Government to re-examine the matter for shifting of the premises of the institute from Ravulapalem to Narsipatnam in the interest of the students and the management to serve in the agency area, and also assured that the technical problems involved, if any, in shifting of the premises, the same would be rectified within a short period of six months.
